ENSURING DATA PRIVACY IN 5G
Wednesday, July 21, 8 a.m. PT / 11 a.m. ET

Speakers: Andy Purdy, Chief Security Officer, Huawei Technologies, USA; Tanner Johnson, Principal Analyst, Data Security, Omdia; Mark Whelan, Director of Policy, ODIA.

Together, we can build a sustainable future by trusting each other and implementing tangible resolutions today. It won't be easy, however we believe in humanity's collective power to achieve more for the greater good.

PROTECTING THE ENVIRONMENT
TECHNOLOGY IS MAKING A BIG DIFFERENCE
BUILDING INTELLIGENT SUSTAINABLE
